

Northgate Community Library Board

Quarterly Meeting

Date: March 4, 2026, 6:00 PM – 7:45 PM

Location: Northgate Branch Library, Conference Room B

Participants: Denise Ortiz (Chair), Marcus Webb (Vice Chair), Priya Nandan (Treasurer), Lou Faraday (Secretary), Grace Kim (Member), Tomás Rivera (Member), Ellen Shaw (Library Director, staff liaison)

Key Points

- Q1 budget reviewed against actuals — slight overspend due to an emergency HVAC repair
- Extended weekend hours pilot proposed and discussed
- Community feedback on children's programming reviewed
- Parking lot lighting safety complaint raised

Supporting Data

- Q1 Budget Report
- Community Survey Results — Weekend Hours (42 responses)
- Facilities Maintenance Log — HVAC repair invoice

Questions and Concerns

1. Why did the HVAC repair exceed the budgeted line item?

Emergency compressor replacement wasn't in the original budget; approved under the emergency spending threshold.

2. Will extended hours increase staffing costs?

Pilot uses existing part-time staff rotation; no new hires needed initially.

3. Who's addressing the parking lot lighting complaint?

Director Shaw contacted city facilities; awaiting a quote.

Action Items

Action	Deadline	Owner
Post survey results summary to website	March 11	Lou Faraday
Get quote for parking lot lighting repair	March 18	Ellen Shaw
Draft extended hours pilot proposal	March 25	Marcus Webb
Follow up with city on lighting timeline	TBD	Ellen Shaw

Motions and Resolutions

Motion	Mover	Second	Outcome
Approve Q1 budget report as presented	Priya Nandan	Grace Kim	Passed 6-0

Motion	Mover	Seconders	Outcome
Approve 90-day extended weekend hours pilot	Marcus Webb	Tomás Rivera	Passed 5-1

Decisions

Budget

Q1 budget report approved as presented — Board — No conditions

Facilities

Parking lot lighting repair authorized, not to exceed \$2,000 — Board — Conditional on receipt of city quote

Programming

Extended weekend hours pilot approved for 90 days beginning April 1 — Board — Contingent on staffing confirmation

Follow-Up & Next Meeting

- Next meeting: June 3, 2026, 6:00 PM, same location
- Pilot results review scheduled for the June meeting
- Lighting repair quote follow-up expected before the next meeting
